BIO

Liana Chaouli, (pronounced sha-oo-li), is the President and Founder of Image Therapists International, a globally recognized thought leader, S.T.Y.L.E. Sage™ educator, public speaker, and formally trained couture designer. Liana developed the process of Image Therapy™, which provides transformation through the empowerment of language, action, and wardrobe to shift debilitating self-beliefs and renew confidence. She has spent four decades consulting CEOs, celebrities, and political figures on matters of self-image, and she believes everyone should feel like the most beautiful version of themselves. Her goal is to make the world a more harmonious and inclusive place, one person at a time.
